To Whom It May Concern:

Sear Pacific is very pleased to recommend Wild Ram lambswool seat covers.

We have been using Wild Ram on all our aircraft since 1996 and have had fantastic results with the quality, standard and service.

We have 9 aircraft totalling over 100 seats and find that lambswool is fantastic for presentation and comfort that is second to none.

Our experience with Wild Ram has been exemplary. I can honestly say that in 14 years of service I don't believe we have had one warranty issue. We have recommended their service to other aircraft operators and have had glowing reports of thanks.

Yours sincerely,
